

The TPS Proud Winter Challenge Starts January 31, 2022!

500,000 steps in 10 weeks = \$50 Reward gift card

Kick your health into high gear as you travel across the City of Toledo to several TPS career tech locations and schools.

To get started, log on to the **TPS PROUD employee wellness website** for instructions on how to synchronize your activity-tracking device. Asset Health will record your steps via your tracking device – you can track your travels by watching your avatar stop at key TPS locations.

Once your tracking device is synchronized with Asset Health, your virtual travel across the district will begin. The goal of the winter challenge is to log 500,000 steps within the 10-week period, or by April 10, 2022.

Log in to assethealth.com/tps on January 31 to get started. Your virtual tour starts at Thurgood Marshall Educational Campus and will end at The University of Toledo Health Science Building.

Participants who successfully log 500,000 steps by April 10, 2022 will receive a \$50 gift card from a retailer of your choice.

Note: You may need to contact the support center for your tracking device to obtain the necessary password and authorization to synchronize with Asset Health.
